

Bureau Veritas Shenzhen Co.,Ltd., Dongguan Branch

Verification of Conformity

This verification of conformity certificate is based on testing and evaluations conducted by Bureau Veritas under the test report number(s) detailed in this certificate and should be read in conjunction with the said test report(s).

This certificate is to verify that the component(s) tested by Bureau Veritas is in compliance with the requirements of the standards and Regulations detailed within this document.

Other standards and Regulations not listed here may also apply to the product.

This document does not correspond to or replace the manufacture's declaration of conformity required by the EU Toys Safety Directive, 2009/48/EC, and it does not represent any other legal binding document.

Once conformity to all standards/Regulations relevant to CE marking has been obtained, the manufacturer may indicate compliance by applying the CE mark to the product per the relevant Regulation.

Date of Test(s): Dec 17, 2025

Signature

This certificate forms part of the test report(s) detailed within and should be read in conjunction with the aforementioned test report(s). The test report(s) detailed in this certificate have been prepared in accordance with and are subject to Bureau Veritas Consumer Products Services standard Terms & Conditions. The information contained within any report is based on current Bureau Veritas Consumer Products Services knowledge and is given without guarantee. A satisfactory test report by no means implies that the product so tested is approved by BV CPS. A report is a confidential document to the person or firm to whom it is issued and it will be strictly treated as such by BV CPS. It may not be reproduced either in its entirety or in part and may not be used for advertising. The person or firm to whom the report is issued may however show it or send, or a certified copy, thereof prepared by BV CPS, for the information of his customer, supplier or other persons directly concerned. BV CPS will not, without the written consent of the person or firm, enter in to any discussion or correspondence with any third party concerning the contents of the report. In the event of the improper use of a report, BV CPS reserves the right to withdraw it or adopt any other remedy which may be appropriate. Samples submitted for testing are accepted on the understanding that the report issued shall not form the basis of, or instrument for, any legal liability against BV CPS and applies specifically to the sample(s) tested and not necessarily to the bulk.
