Note:

According to Directive 2009/48/EC, toys made available on market must meet the following requirements:

- Toys must bear the CE marking, and the CE marking must be affixed visibly, legibly and indelibly to the toy, to an affix de label or to the packaging. The CE marking must be at least 5mm high.
- The manufacture's name, registered trade name or registered trade mark and the address at which the manufacturer can be contacted must be indicated on the toy or, where that is not possible, on its Packaging or in a document accompanying the toy. This requirement applies also to the name and Address etc. of any importer.
- Toys must bear a type, batch, serial or model number or other element allowing their identification, or where the size or nature of the toy does not allow it, that the required information is provided on the packaging or in a document accompanying the toy.
- The toy should be accompanied by instructions and safety information in a language or languages easily understood by consumers, as determined by the Member State concerned.
- NA = Not Applicable
- NC = Not conducted (According to customer requirement, no evaluation of this clause)
- NR = Not Requested (According to customer requirement, no evaluation of this clause)
